# BOWL-A-THON 101

## PEER-TO-PEER FUNDRAISING HOW IT WORKS

Click the link to register and choose whether you are starting or joining a team. Team starters become captain, and they can register other team members. Individuals can select the team they want to join from a list.

Captains can set up their team's fundraising page, and individuals can set up their personal fundraising page. Pages are easily shared by email and on social media.

Captains are encouraged to challenge their teammates, or teams can challenge each other, to see who can raise the most money.

Don't forget to invite non-bowlers to cheer for your team as spectators.

### PRIZES

- Highest Scoring Team
- Runner Up Team
- Best Dressed Team
- Best Team Name
- Best Cheering Section

The Accountants Classic Bowl-a-thon is an exciting peer-to-peer fundraising event where the competition begins weeks before the teams lace up their rented shoes.

From the moment they register, teams and individual bowlers are challenged to raise the most funds to support Junior Achievement's mission **to inspire and prepare young people to succeed in a global economy.**

## TEAM REGISTRATION

Teams can include up to 5 bowlers. Team creators serve as Captain. The captain sets the team name and fundraising goal, and they manage the team donation page.

Bowlers register for **\$50** and join a team. This fee includes 2 hours of bowling, shoe rental, pizza, soft drinks, and a T-shirt.

## SPECTATOR REGISTRATION

Don't want to bowl? Sign up as a spectator for **\$25**. Enjoy pizza and soft drinks while cheering on your favorite team!

## ADVANCE PURCHASE BUNDLES

Get your raffle tickets and drink tickets in advance! Look for the purchase options when signing up and your tickets will be waiting for you at the door!
